

Join the Oregon Premier Futsal Academy and become the complete player!

The modern soccer game has enormous demands on players where quick transition, tactical awareness, and technical proficiency is essential to become the complete player. Integrating futsal into the development of players will refine these essential skills. The OPF Academy provides a fun, professional environment that is player-centric and focused on individual and team development. Training sessions will be focused on each player's individual skills that will translate directly to their outdoor game. OPF High School Academy teams aim to compete at the highest level and will be encouraged to participate in regional and national events based on qualifications.

High School Program Information for players born in 2002-2006

Season Outline:

September 27th—October 31st

One 90-minute training session per week*

Exact schedule to be determined based on availability and outdoor schedules

November 1st—January 9th

One 90-minute training session per week (weekday tbd)*

Compete in the OYSA Winter Futsal League

Schedule may vary based on the outdoor schedule

January 9th - July 31st (approximate dates)

After January 9th, the schedules will vary due to COVID-19 changes including the delayed high school soccer season, possible club tournaments, etc. We thank you for your patience as we await other organizations to finalize their schedules. The remaining training sessions will be scheduled around the additional events each team may choose to compete in. Please see examples listed below:

OYSA State Futsal Cup, January 2021**

US Futsal Regional Championships, March 2021**

US Futsal National Championships, July 2021**

City Futsal Cup, Summer 2021**

Annual Tuition:

\$595/player

- 25 training sessions and 8 games in the OYSA Winter Futsal League**
- OPF training shirt
 - Uniform kit sold separately (estimated cost: \$75)
- Scholarships and flexible payment plans available (email zane@opfutsal.com for more information)

*training sessions are subject to cancellations due to weather, etc.

**OPF Academy teams are encouraged to participate in other local events such as the OYSA Futsal State Cup, and other regional and national events that are not included in the annual fee.

OREGON PREMIER *Futsal*

Frequently Asked Questions

What if I am playing High School Soccer?

During the High School Soccer season, OPF will train on Sundays to avoid any conflicts. OPF coaches also understand the demand HS Soccer has on players and will plan sessions to compliment it.

When are training sessions, how often, and will they conflict with my outdoor schedule?

Training sessions are once per week and 90 minutes long. The “Season Outline” has a more detailed schedule, but sessions will be scheduled around outdoor conflicts and are very flexible to meet the needs of all players.

What is the OYSA NW Futsal League?

The OYSA NW Futsal League is Portland’s first city-wide futsal league created in a partnership between the top facilities and Oregon Youth Soccer Association. Teams will compete in a series of home and away matches providing the best level of competition for everyone.

Why should my player join the Oregon Premier Futsal Academy?

The modern soccer game has enormous demands on players where quick transition, tactical awareness, and technical proficiency is essential to become the complete player. Integrating futsal into the development of players will refine these essential skills. The OPF Academy provides a fun, professional environment that is player-centric and focused on individual and team development. Training sessions will be focused on each player's individual skills that will translate directly to their outdoor game.

How is the OPF Academy Program affected by COVID-19?

The safety of our players, staff and community are of utmost importance to us and we are adding safety precautions in all aspects of our business. Good news is that the quality of the OPF Academy Program is relatively unaffected by the COVID-19 pandemic. Historically, the first couple months of the OPF Academy training sessions are focused on technical development which fits perfectly with Oregon Health Authority’s Phase 1 reopening plan. Once we reach Phase 2 reopening, aside from added safety measures, we will be able to return to normal training. We are very confident that we can reach our player development goals while following all COVID-19 safety guidelines.

What is OPF doing to protect your players, staff, and community from COVID-19?

OPF strictly follows all guidelines provided by the Oregon Health Authority regarding COVID-19 including social distance training sessions and face masks. For more details, please visit our www.opfutsal.com/covid19

Will I get a refund if we don’t get to play games?

Of course! The winter futsal leagues don’t start until November so they are far less likely to be cancelled because of COVID-19; however, in the event that the league is shortened or postponed OPF is prepared to offer refunds equal to the cost of the league entry fees. However, OPF will continue to work with players during training sessions and keep our promise of and high standards for player development.
